Advisors in the College of Liberal Arts and Social Sciences

The College of Liberal Arts and Social Sciences provides two distinct types of Academic Advisors for majors.

Journalism Professional Academic Advisors & Counselors – the Mayborn School of Journalism has dedicated staff advisors to assist students with all their advising needs, including answering questions regarding University Core/Mayborn School of Journalism/Major degree requirements, review official degree audits, perform graduation checks and review all situations requiring Dean's Office Approval for Mayborn School of Journalism Undergraduate Students (such as Concurrent Enrollment, Overload, and Pass/No Pass Course Option approvals.)

CLASS Professional Academic Advisors & Counselors (majors other than Advertising and Journalism) - work in conjunction with Departmental or Faculty Advisors. Academic Advisors assist students with chosen majors in answering questions concerning general University Core and College of Liberal Arts and Social Sciences requirements. They are available to review official degree audits and perform graduation checks with students. They also review all situations requiring Dean's Office Approval for Liberal Arts and Social Sciences Undergraduate Students (such as Concurrent Enrollment, Overload, and Pass/No Pass Course Option approvals.)

Departmental/Faculty Advisors - work in conjunction with Academic Advisors, mentor students in their academic discipline, help them understand requirements in their major, career options related to that major, and the process for obtaining an official degree audit.

Take Flight: CLASS First Year Advising – first year students only. If you are starting at UNT after high school graduation, you are part of the Take Flight program! We call you our CLASS-Y Scholars. You are invited to use the CLASS-Y Scholar Lounge in GAB 207 as a study-spot and hub for Academic Advising. Take Flight has dedicated Academic Counselors who will meet with you during your first year at UNT for individual appointments, specialized academic workshops, and events.

How to get an Official Degree Audit

A degree audit is an official document of the University that lists all the courses needed to complete a chosen degree and shows how all the courses completed are applied toward the degree. Students should request an official degree audit at orientation when they meet with their faculty or staff academic advisor. An advisor will notify a student when their official degree audit is complete via their UNT email address. Students can view their degree audit on-line at mydegreeaudit.unt.edu.

If you were not able to request an official degree audit at orientation, set up an appointment with your academic advisor to request your official degree audit. See the top of the page for how to schedule an appointment.
