

## BA IN ANTHROPOLOGY ACADEMIC MAP 2025-2026

A Bachelor of Arts with a major in Anthropology equips students with the critical thinking skills to understand people and problems in unique ways. Our students graduate with a flexible degree that can pivot with you as you seek out careers in academia, business, non-profits, public health, government, environment, museums, and so many other "yet to be created" career fields. We equip you with the skills to discern social knowledge and apply that in versatile and innumerable ways.
