Graduate Teaching Assistant, Cultural Studies in Education, African and African Diaspora Studies,
The University of Texas at Austin, Aug. 2009 – May 2012

Graduate Assistant, Purdue Athletics & Health & Kinesiology, Purdue University, June. 2008 – July 2009

RELEVANT QUALIFICATIONS OF FIT

- An experienced, systems-thinking and progressive leader
- Experience and demonstrated skills in various senior/executive administrative positions within higher education;
- Experience in the effective oversight of a diverse and broad portfolio of increasing responsibilities
- Leadership experience providing direction and guidance to staff via strategic plan development and articulating a shared vision;
- Experience and demonstrated ability in the solicitation, cultivation, and stewardship efforts of current and potential donors (friend-raising & fundraising)
- Ability to prepare, administer, and adhere to budgets;
- Experience developing, implementing and supporting programs, services, and events related to diversity, inclusion, equity and social justice
- Experience managing staffing decisions and coordinating hiring processes;
- Demonstrated ability to work effectively with a variety of individuals and interpersonal styles;
- Experience managing complex personnel issues and addressing conflict directly;
- Involvement in project design and construction management for new facility construction and renovation;
- Experience in participating in high-profile executive searches for senior/executive leaders in higher education (i.e., University Presidents, Director of Athletics, Department Chairs, Division-I Head Coaches – football, men’s basketball, women’s soccer and tennis);
- Strong understanding and appreciation of the role of intercollegiate athletics in higher education;
- Demonstrated effective interpersonal, oral and written communication skills;
- Service on departmental, college, and university-wide committees;
- Deep commitment to shared governance
- Ability to relate effectively to all members of the University community, with an appreciation for cultural, ethnic, and individual differences;
- Record of teaching, scholarship, service, and engagement qualifying for the rank of full professor;

ADMINISTRATIVE EXPERIENCE

Chief of Staff (interim), *Office of the President*, Colorado State, July 2022 – present
 Chief of staff (COS) for Colorado State University serves as a key member of the Office of the President with responsibility for central coordination of the direction of activities. Serves as the close confidant and administrative partner for the president in promoting and supporting the land-grant mission of Colorado State University, both internally and externally; provide high-level support through the office of the president in leading an effective executive leadership team and administrative activities. Located in Fort Collins, Colorado and one of the premier land-grant institutions in the country, Colorado State is the flagship campus of the Colorado State University System. CSU is home to an accomplished student body of over 32,000 students from around the nation and the globe. CSU employs more than 7,500 employees. Colorado State is a Carnegie R1 (very high research activity) institution encompassing eight colleges which includes a world-renowned college of veterinary medicine and biomedical sciences. CSU has annual research expenditures exceeding \$447 million, placing the University at the top in Colorado and among

institutions without a medical school. More than 28,500 undergraduate and nearly 3,500 graduate students work closely with a faculty of over 1,800 committed teacher-scholars. The university's annual budget is more than \$1.4 billion. CSU has 76 undergraduate degree programs, 159 master's degree programs (56 of which are also offered online through multiple delivery methods); 74 doctoral programs, and 47 graduate certificates.

Responsibilities:

COS oversees and manages the internal operations of the Office of the President; Provides context that helps set executive priorities and initiatives, anticipating the needs of the president, and addressing any issues on the president's behalf; Advises and counsels the president on issues relating to organizational strategy and planning, mission, policy, and high priority projects; Assists in the implementation of long- and short-term goals and important initiatives; Ensures timely decision-making on issues of strategic importance; COS has final signature authority for matters rising to the office of the president; COS reviews and follows up on institutional audit processes and reviews and advises on accreditation documents with various accrediting bodies. COS triages the range of issues and requests that come to the office of the president from internal and external constituents; Advises the president on management of institutional incremental budget; Coordinates the regular evaluation of executive leadership team; Assist with presidential communications, including that which may require sensitivity/discretion, to university constituents regarding priorities, initiatives, and events of the university; Manages and provides administrative support of president's commissions and working groups:

- Commission for Gender Equity on the Faculty (CoGen),
- Safety Task Force,
- Native American Advisory Council (NAAC),
- President's Sustainability Commission (PSC),
- Sustainability Tracking, Assessment & Rating System (S.T.A.R.S.) Committee,
- Vision Zero committee,
- Presidential Fellows

Key Achievements/Activities:

- Prioritizing the interim administration's agenda in the areas of:
 - Student Success
 - Compensation equity and competitiveness; position reclassifications (Faculty, Staff, Graduate teaching assistants)
 - Rural initiative and Spur campus activation, Collaboration campuses
 - Research and innovation: thematic initiatives and funding
 - Capital projects and space utilization strategy
 - Inclusive excellence, campus-wide strategy and implementation
- Advising institutional incremental budget design and transparency enhancements
- Developed a Request-for-Proposal process to distribute Canvas Credit Union sponsorship agreement funds
- Manage reorganization and budget reconstruction of the Office of Inclusive Excellence
- Enrollment and Access reorganization
- Assist in processes to restore vacant executive, senior leadership roles
 - Vice President for Marketing and Communications
 - Vice President for Advancement
 - Vice President of Engagement & Extension
 - Vice President for Human Resources
 - Director of Conflict of Interest, Office of Vice President for Research
- Incremental budget modeling consultation on strategic deficit recovery

- Redesigned and renewed existing President's Multicultural Student Advisory Council
- Organized and chaired the Canvas Credit Union Activation team (managing \$2.3 million budget)
- Honors program enhancements
- Redesign of Presidential Fellows curriculum and programming
- Reinstallation and organization of President's Fall Address to campus
- Coordination of University's Leadership Forum for fall and spring
- University Advancement reorganization modeling
- Hispanic Serving Institution exploration committee development and charge
- Assist and join the President and the executive leadership team in donor cultivation visits (i.e., \$200k+ donor prospects)
- Assist new presidential transition activities and communications

Associate Dean & Executive Director, College of Liberal Arts, Colorado State, July 2022 – present
Responsibilities:

Reporting directly to the Dean of the College of Liberal Arts, the Associate Dean & Executive Director (ADED) serves in an executive leadership role within the College of Liberal Arts supported by a \$54.2mil college-wide operating budget. The College serves over 6,400 undergraduate students and over 500 graduate students with over 300 tenure-line faculty members across 19 academic disciplinary departments and programs. The ADED provides direct leadership and implements a data-driven approach to oversee three academic programs – Sport Management (undergraduate and graduate), Public Policy & Administration (graduate), and Arts Management (undergraduate and graduate). Provides administrative oversight and management for programs' strategic planning, budget planning and monitoring, faculty hires, tenure and promotion activities, curricular and instructional design for resident and online instruction, accreditation processes, and donor/development engagement for these three programs. Coordinates with program directors and academic success coordinators to ensure adequate course capacity during registration, as well as orientation for the programs' incoming students. Liaise with CSUOnline to ensure adequate capacity in the programs' online course offerings. Manage schedule offerings and revenue generation across programs. ADED broadly supports the Dean and the College to ensure the integration and coordination of the College's strategic planning, policies, programs and initiatives. The ADED works with the Dean and college advancement to identify and nurture funding opportunities, support and strengthen College of Liberal Arts alumni relations. ADED collaborates with the Office of the Vice President for Research to promote research undertaken by the programs' faculty and identify increased funding opportunities.

Key Achievements/Activities:

- Oversight and revision of fiscal and human resources of three programs
- Leading initiatives toward College's organizational redesign to develop multiple schools
- Assist leadership team with the revision process of program bylaws
- Provide faculty development opportunities around tenure and promotion
 - e.g. Dossier preparation support; universal instruction design workshops
- Provide faculty development opportunities around research activities
 - e.g. innovation grant support for multi-disciplinary seed programs; junior faculty workshops to enhance proposal preparation
- Led strategic planning for Public Policy & Administration and the Sport management programs
 - Establish priority goals for enhancing learning environments that foster success and wellness, increasing the productivity and impact of faculty research, scholarship, and

creative activity, increase allocations of professional development funds for tenured and tenure-track faculty, increase allocation of research stipends for undergraduate and graduate research activity

- Initiated and launched accreditation processes for Public Policy & Administration (i.e., NASPAA) and for sport management (i.e., COSMA)
- Refined course sequencing for the Public Policy & Administration and the Sport management process
- Established faculty program coordinator in Public Policy & Administration
- Established Director of Online Learning & Instructional Design
- Implemented redesign of programs' organizational structures
- Launched/completed faculty and staff searches (Program director, full professor, assistant professors, graduate program directors, undergraduate program director, adjunct instructors, online academic advisors, program administrative support)
- Increased strategic industry-college/program partnership facilitating increase student experiential learning opportunities
- Created program alumni committees with participate requiring a monetary contribution
- Revised program codes, student handbooks, and implementation of program policies

Assistant Vice Provost for Academic Affairs (Asst.VP), Office of the Provost and Executive Vice President for Academic Affairs, Colorado State, July 2021 – June 2022

Responsibilities:

Provides senior-level leadership within the Office of the Provost and Executive Vice President for Academic Affairs to steward the institution's academic mission and advance its student success profile through strategic, university-wide priorities in the areas of academic and budgetary resource planning and management, curricular affairs, institutional accreditation and assessment, faculty affairs, general education, large-scale initiatives, academic policy development, and human resources. The Asst.VP assist the Office of the Provost in multiple manners including chairing and/or convening committee groups; collaborating closely with college deans, department administrators, and faculty as well as university leadership in areas such as Access and Enrollment, Undergraduate Affairs, Undergraduate Advising, Student Success, Student Athlete Support Services, Communications, Planning and Effectiveness, Graduate Affairs, the Academic Advancement Center, University Learning Communities, the Community for Excellence initiatives, Student Outreach and Support, the Collaborative for Student Achievement, and Undergraduate Tutoring Services and Tutor Development. The Asst.VP assists the provost to manage the academic affairs operating budget and is responsible for prioritizing the promotion and advocacy of diversity, equity, access, and inclusion among faculty, staff, and students as it relates to student success and the academic affairs mission of the institution.

Key Achievements/Activities:

- Initiated and participated in planning processes for the University's Academic Master Plan
- Assisted in design and planning of the Provost's Academic Colleges Symposium
- Assisted in the review, approval, and distribution process of over \$2 million for FY22, \$2.5 million for FY23, and \$1 million for FY24 for Student Success funding proposals submitted by eight academic colleges
- Convened committee to review strategic efforts and resources targeting Students for Recommended Support

Assistant Vice President of Student Affairs, Division of Student Affairs, Colorado State, July 2019 – June. 2021

Responsibilities:

Served a dual reporting role to the Director of Athletics and the Vice President of Student Affairs, both of which are on the President's cabinet. Administration and oversight of an \$825,000 budget that supported student success and programming for 400 student athletes across 16 Division-I varsity sports. Supervision of twelve FTE staff including a unit director, assistant directors, academic coordinators, learning specialists, and graduate assistants as well as an average of 40 student hourly and non-student hourly employees. Hiring authority for all FTE administrative professional positions, graduate assistants and internship positions within Student Athlete Support Services. Oversight of staff performance standards and evaluation. Led efforts to build community and a culture of inclusion and support for SASS employees through leadership, communication, and personal interaction with all staff. Oversight of physical operations, expenditures and capital resources. Provided vision and strategic leadership for a wide range of academic and student development services to support student-athlete success for a diverse student athlete population. Oversight and primary engagement of SASS fundraising and sponsorships efforts. Managed SASS staff compliance with appropriate NCAA, conference and institutional regulations and policies including student athletes initial and continuing eligibility requirements. Senior member of the Athletics Department leadership team, serving a key role in the friend-raising and fundraising efforts in support of the department and divisional goals to support students' success and their overall experiences.

Key Achievements:

- Developed and implemented the first strategic plan
- Implemented coordinated system providing subject-based tutoring in one-on-one and/or small group sessions.
- Install a two-step advising process in partnership with college academic advisors across all eight colleges
- Collaborated with the IT support team and Faculty Council's Committee on Teaching and Learning to create Canvas Observer Access in which academic coordinators are paired with a select group of student-athletes in Canvas to help improve the efficiency and accuracy of our support in monitoring these students' academic performance
- Implemented an objective-based study hall model
- Established the Discover-U program including a four-year career engagement plan, student internships and undergraduate research initiatives
- Implemented summer bridge programming with an intentional focus on student success best practices and student learning initiatives centering inclusive excellence for new student-athletes
- Student athletes recorded a cumulative 3.31 GPA for all sport teams in Fall 2020
 - 6 teams had over a 3.500 term team GPA in Fall 2020
- 215 Student-Athletes earned Academic Recognition on Fall 2020 Athletic Director's Honor Roll
 - 83 student-athletes earned this honor for the first time
- Student athletes achieved the highest term GPA on record in Spring 2020 with a 3.25GPA. This was performance was higher than the general study body
- Student athletes recorded a cumulative 3.09 GPA for 2019-20 academic year. Second highest on record
- 142 Mountain West All-Academic selections with 3.0+ GPA in 2019-20 academic year. This was a 7% increase from 2018-19.
- 82 Mountain West Scholar-Athlete Awards with 3.5+ GPA in 2019-20 academic year. This was a 14% increase from 2018-19.

- 7 student athletes earned a perfect 4.0 GPA
- 8 student athletes presented their undergraduate research in local and national conferences in the 2019-20 academic year

Director, Sport Management, Colorado State, College of Liberal Arts, Jan. 2014 – June 2022

Responsibilities:

Served as the founding director for the Sport Management program at Colorado State. A direct report to the Dean of the College of Liberal Arts. As director, I was responsible for oversight of the Masters of Sport Management (MSM) graduate and undergraduate minor programs. I developed and was responsible for managing the online and in-residence curricular design and instructional deliveries. Administration and oversight of the sport management program also included strategic planning, strategic student recruitment and enrollment initiatives, curriculum and materials development, co-curricular program development, event planning and implementation, establishing a diverse advisory council, cultivating donor engagement, and participating in strategic development (fundraising) initiatives, hiring, managing FTE tenure-track, adjunct faculty, and professional staff.

Key Achievements:

- Secured two separate corporate partnerships – Denver Broncos Football Club of the National Football League (est. 2014) and the Colorado Rockies of Major League Baseball (est. 2021).
- Developed a program code outlining program mission and values, learning objectives, organizational structure, voting and governance oversight, faculty and staff performance evaluation processes, and student appeals processes (primary author)
- Developed an interdisciplinary curriculum with four specialization tracks including business foundations, media and communication, organizational leadership, and sport marketing
- Designed and implemented a 21-credit minor for undergraduate students. Average annual enrollment for the first 6 years remained over 160 undergraduate students affiliated with 7 out of the 8 institution's academic colleges.
- Masters in Sport Management online program ranked 7th nationally in 2021 by BestMastersPrograms.org
- The sport management program was self-funded and profitable in the first year.
- 36 students enrolled in the inaugural year of Masters of Sport Management program. Far exceeded initial financial modeling of program.
- Online graduate students represented 15 different states in each of the first two years

Senior Associate Athletics Director, Colorado State, Athletics Department, July 2013 – June 2022

Responsibilities:

Served as first appointed chief diversity and inclusion officer for the Athletics department and first appointed among all member institutions of NCAA intercollegiate athletics. Administration and oversight of all diversity & inclusion initiatives and budget management. Provided comprehensive training opportunities as part of the strategic goals and plans for diversity, equity and inclusion. Worked collaboratively with campus offices and organizations, the NCAA and the Mountain West Conference on diversity, equity and inclusion initiatives.

Key Achievements:

- 2014 recipient of the NCAA Diversity Award
- Designed and coordinated the first education abroad program (i.e., Green & Global) through a partnership with CSU's Office of International Program's. Education abroad experiences took student to Earth University in Costa Rica and Petersfield, Jamaica.

- John Mosley Leadership Program (partner with Black/African American Cultural Center)
- Rambition: Student-led leadership and community service group for female student-athletes.
- Coordinate department wide Courageous Conversations events on diverse topics to advance complex understandings of challenging issues impacting communities
- Facilitate Title IX education training sessions in collaboration with the university's offices of Safety & Assessment, Title IX, and Women and Gender Advocacy Center.
- Launch Together Initiative and Council
- Establish the role of Director of Inclusion to be added to the Student Athlete Advisory Committee

TEACHING EXPERIENCE

Colorado State University

Undergraduate:

- The Influences of Black Leadership
- Contemporary Black/African American Issues
- Honors Seminar: Social movements and the Black Athlete
- Racial Representations of Black Athletes
- Sport Management Internship
- Sport Management Practicum
- Study Abroad, Jamaica; Costa Rica
- Independent Study
- African Americans in Sport
- Foundations of Sport Management
- Inclusive Sports Organizations
- African Americans in Sport

Graduate:

- Research Methods
- Sport and Communities
- Sport Law
- Organizational Communication in Sport
- Sport Management Seminar
- Sport Management Internship

Kansas State University

Graduate:

- Intercollegiate Athletics (Student Affairs)
- The College Student Athlete
- Practicum in College Student Development Personnel
