

# WHAT'S YOUR MAJOR?

**NAME:** Becca

**MAJOR:** Integrative Studies (Anthropology, Journalism and Business)

**CLASSIFICATION:** Junior

## **TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

It originally started as a Marketing major. Quickly I realized the major wasn't for me and I heard about Integrative Studies. After only one meeting, my CLASS advisor worked with me and my specific interests to tailor a more suitable academic plan. I love the fluidity and freedom of classes I can take.

## **WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Make sure you use your resources: Learning Center, advising, Counseling and Testing, organizations, and more! Getting involved really is the best thing I could've done my first-year.
