

WHAT'S YOUR MAJOR?

NAME: Abigail

MAJOR: Media Arts

CLASSIFICATION: Junior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I thought for a long time that I wanted to act in theater. When I got to high school theater was the first thing I signed up for, but I ended up needing an extra elective, so I took an A/V class as well. I ended up not loving the theater class and having a ton of fun in A/V, and I think that solidified my place behind the camera instead of in front of it.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Find a solid group of friends, the sooner the better. A lot is changing for most of you; moving away, increasing difficulty in your studies, etc., and having a good support group is important.
