

# WHAT'S YOUR MAJOR?

**NAME:** Coley

**MAJOR:** Media Arts

**CLASSIFICATION:** Sophomore

## **TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

I have always loved film. As a kid I would make movies with my friends and I did that all the way up to my last days of high school. I never really thought I would go to school for it but one day I woke up and realized I didn't want to do anything else with my life. In the end it was really the only thing I could do and the degree I would pursue the most passionately.

## **WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Take the first couple of weeks of the first semester to find out what you need to be the most successful. For me, I have to study in the library cause if I study in my dorm where all my stuff is I don't get anything done. Also, sleep is very very valuable. Try to manage everything around your sleep schedule. Overall, have a good routine for each day of the week and find that time where you can do your work so you don't have to stay up all night doing it.
