

WHAT'S YOUR MAJOR?

NAME: David

MAJOR: Economics and Political Science Major, Communications Minor

CLASSIFICATION: Senior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

During the summer before my junior year, I got really serious about figuring out what I wanted to do with my life. After lots of prayer and contemplation, I eventually settled on pursuing a law degree, and majoring in Economics seemed like the best way to eventually get one. Little did I know that during my senior year I would get to take my first economics and political science classes and end up falling in love with both of the subjects.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

DON'T PANIC. Honestly, I know it seems like a lot is all happening at once, but worrying about your problems won't fix them. Just stay calm and buy a calendar, scheduling all your stuff will help a lot.
