

# WHAT'S YOUR MAJOR?

**NAME:** Amber

**MAJOR:** Psychology

**CLASSIFICATION:** Sophomore

## **TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

My junior year of high school, I took an AP Psychology class and I fell in love with it. I loved my teacher and knew this is what I wanted to do for the rest of my life. I love people and knew this is what I am meant to do.

## **WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Make friends in your classes! And outside of them! You may think you won't have time, but more often than not you'll be looking for something to do. Also, **GO TO CLASS!!** It's what you're here for after all. Don't be afraid to go to office hours and most importantly, it's okay to feel confused or unsure. Everyone is going through that and you're not alone in that, so use the resources the campus offers and chat with people to get through it.
