

WHAT'S YOUR MAJOR?

NAME: Aricka

MAJOR: Psychology with a minor in French

CLASSIFICATION: Junior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I have always wanted to help people, but I was never sure which path I should take. I thought about teaching (which was my plan up until orientation), nursing, or counseling. I remember my experience throughout school, and how I never had an adult that I could go and talk to or just have a safe place to vent, which would have made my experience in school so much better. So I decided that Psychology was the route I wanted to take!

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Please please please go to your advisors!! They are a lifesaving tool that so many people don't utilise. They are so helpful, and always have students best interests at heart. I also encourage joining an organization on campus! This helps you make friends and find your place at UNT.
