# WHAT'S YOUR MAJOR?

**NAME:** Ashley

**MAJOR:** Media Arts with a minor in Psychology

**CLASSIFICATION:** Senior

**TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

After changing my major for the third time two semesters ago, I did a short film with some people I met in the creative committee under the BSU. From there I feel in love with film, promptly changed me major for the 4th and hopefully last time, and I'm currently one of the founders of a film production company called Doozy!

**WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Make a schedule for your upcoming assignments and projects so you're never caught off guard. Genuinely read the syllabus and if you do anything in that class, get on the class group chat!!! It's probably on GroupMe
