

WHAT'S YOUR MAJOR?

NAME: Beth

MAJOR: English with minor in Art History

CLASSIFICATION: Freshman

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I am a HUGE book lover. So when thinking about something I would enjoy learning about and want to spend the rest of my life working with, books were the only option! With English I knew I could learn about literature I wanted to read, and go into a field where I can continue to further my knowledge on novels!

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Don't stress if you are in a major and it doesn't seem like the right fit. Think about what you love and would enjoy doing right now and forever! Make the choice that seems best for you, and if you feel like it's right then it is!
