

WHAT'S YOUR MAJOR?

NAME: Cole

MAJOR: Media Arts

CLASSIFICATION: Sophomore

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I started out as a music major, I thought I wanted to do that all my life. I got to college and found out that the music school was not something I wanted to be a part of, so I did research on other majors at UNT. I found out about Media Arts through their website and thought that it would be cool to learn about radio, TV, and film.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Don't get behind, online school is different but the only time I felt truly stressed out was when I procrastinated my school work and was trying to catch up in multiple classes. College is pretty smooth as long as you can keep up.
