

WHAT'S YOUR MAJOR?

NAME: Joseph

MAJOR: History with minor in Philosophy

CLASSIFICATION: Junior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I have had a number of tremendously good history teachers throughout my life, and want to pass on that gift to the next generation, especially in an age fighting against teaching history well.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Just relax, but go to class! This is the most unstructured time you've ever had, and you make your schedule. Don't be afraid to explore the world and yourself.
