

WHAT'S YOUR MAJOR?

NAME: Kayleigh

MAJOR: History and Theatre with Teacher Certification

CLASSIFICATION: Sophomore

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I've always loved history and theatre, and I knew I wanted to have both of them in my life. I thought about pursuing performance for a while, but when I look back at performances I've done my favorite part was getting to work with people and help them succeed. This is when I realized I wanted to teach, and that I can't wait to see how both subjects can combine into what will hopefully be a fun teaching style.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

I'm a first-year student myself, but the number one thing I've noticed is that knowing when things are due is probably the most important. It's never fun to be surprised with a zero because you forgot a deadline.
