

WHAT'S YOUR MAJOR?

NAME: Liam

MAJOR: Media Arts

CLASSIFICATION: Sophomore

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I had always been interested in how film and TV were produced, but hadn't been able to find a role that I felt was right for me. However, as I went through high school and played in an orchestra, I decided I wanted to go into film scoring.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

If you're taking online classes (from home or not), make an effort to reach out to others in your major or join an LLC if available; the communities at UNT are what helped me make it through my first semester during the pandemic.
