

WHAT'S YOUR MAJOR?

NAME: Logan

MAJOR: Media Arts

CLASSIFICATION: Sophomore

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I've always had an interest in movies, but my appreciation of the craft and discussion sides of the subject have really been growing over the past five or six years. I'm majoring in Media Arts to further expand my knowledge and love of film and I'm very lucky that UNT is the place I'm doing it at.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Know that a lot of it is really self-reliant. I've come to really rely on myself to handle school related problems since most of my work has been online, so I very much have had to push myself in more ways than one to succeed so far, even if I didn't always want to.
