

WHAT'S YOUR MAJOR?

NAME: Holly

MAJOR: Political Science and Economics

CLASSIFICATION: Junior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I attended Texas Girl's State the summer before my senior year in high school and discovered my passion for justice and debate. I decided that law would be a perfect match for my newfound skills, and in order to prepare myself for law school, I decided to major in Political Science and Economics. I believe these majors together will make me an outstanding candidate to law schools because of the political background combined with the analytical and math skills required of economics.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

I would tell first year students to take the class you are dreading, even if you know it will be really hard. Pushing yourself on a subject that you struggle with will make you smarter and more prepared for the real world!
