

WHAT'S YOUR MAJOR?

NAME: Devyn

MAJOR: Psychology

CLASSIFICATION: Junior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

My high school offered an AP psychology class for the first time, so I decided to take it since it seemed interesting. It quickly became my passion to help people mentally.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Always go to your classes (unless you're sick), but if you do go there's a chance you'll get extra credit just for showing up sometimes! Don't be afraid to ask your teachers for help, they want you to succeed.
