

# WHAT'S YOUR MAJOR?

**NAME:** Rylan

**MAJOR:** Political Science

**CLASSIFICATION:** Sophomore

**TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

In my first year of college, I was majoring in Biology but was thinking about switching to Political Science for a while. I went into the summer going back and forth on if I should change. The overturning of Roe v. Wade is what finally made up my mind. The day it was overturned I got on and switched my major. I decided that I couldn't just sit here and watch everything going on in America and not be apart of trying to change it. I am so excited to see what this new journey holds and I can't wait to help people who need it most!

**WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Go to class and do your work on time. I was very bad at procrastinating and it ended up being super hard on me. Space your work out to do a little every day, that way you don't have so much to do at the end of the week.
