

WHAT'S YOUR MAJOR?

NAME: Tori

MAJOR: Social Science with Teacher Certification

CLASSIFICATION: Junior

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I chose it because I have always wanted to teach. This gives me the opportunity to do so while learning about a vast amount of subjects. My end goal is the same, but it makes me so much more marketable to employers.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Find a place to study, and do not let it be your bed. Keep your bed somewhere relaxing for your body, and find a comfortable place to study.
