

# WHAT'S YOUR MAJOR?

**NAME:** Zachary

**MAJOR:** Communication Studies with History Minor

**CLASSIFICATION:** Freshman

**TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

I thought that I wanted to work in the media field, but during my first semester realized that it wasn't for me. I chose to switch my major to communications as I want to go into a field that helps other, whether it be teaching or another field that I will discover during my time in Denton.

**WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Go out and meet new people and try new things. I have found a great group of friends by just getting out there. I was nervous at first but the people I have met, made my first semester so much better.
