

Bachelor of Arts and Bachelor of Science with a Major in Integrative Studies

Create a degree plan
unique to you!

Choose 3 fields of study
that fit your interests, skills and goals.

Flexible — Tailored — Custom

Steps to Become an Integrative Studies major...

- ☐ Complete the “Getting Started in Integrative Studies” Canvas Course
- ☐ Choose the BA or BS degree and your three fields of study
- ☐ Submit your Major Proposal through Canvas
- ☐ Meet with an Integrative Studies Counselor to declare your major and start your degree audit

Make the Most of your Degree

- **Choose your fields wisely** – The strength of this major comes from *integrating* areas that support your unique interests, skills and future goals
- **Know your transferable skills** – You are gaining many skills from your multi-disciplinary degree. It is important to recognize and value these skills.
- **Learn how to market yourself** – Visit with the Career Center to learn how to market your degree, attend workshops and network at career fairs. To explore your career options, we offer a course: UCRS 2100 Career Development.
- **Do an internship** – get hands on experience before you graduate by taking UCRS 4800!

What our alumni are saying...

“Given me a second chance to shape my education and future career the way I want it.”

“Integrative Studies was the answer to blend all my interests, talents, and skills into one meaningful career path.”

“My degree gave me the opportunity to study biology, psychology and rehabilitation, making me a diverse and unique candidate for medical school.”

[Erika Cole-2015 Graduate]

[Terra Mulrenan-2021 Graduate]

[Dr. P. Shanley, M.D. – Graduate]

Students may also complete an academic certificate and use this to count as one of their 3 fields. See catalog.unt.edu.

^ Interdisciplinary field. See IGST Counselor for details.

* Departments have courses with little or no pre-requisites.

Italics: Refer to handout on integrativestudies.unt.edu

Underlined departments can be done completely online.

Brainstorming Ideas for Themes in Integrative Studies

Students who want to pursue a more focused Integrative Studies major may opt for a theme-based version by creating a more intentional and purposed degree. Don't forget: you still must follow the guidelines for choosing your fields as listed on page 2.

Business			
Economics	Management	Learning Technologies	Public Administration
Communication Studies	World Languages	Technical Communication	Merch, Hospitality & Tourism
Decision Science	Marketing	International Studies	Sociology
Music Entrepreneurship	Advertising	Advanced Data Analytics	
Communication			
Communication Studies	Journalism	English	Audiology & Speech-Language
Technical Communication	Management	Merch, Hospitality & Tourism	Logistics & Supply Chain Management
Linguistics	World Languages	Marketing	Advertising
Cultural Studies			
Anthropology	Ethnomusicology	English	Communication Studies
Sociology	Geography/Geology	Political Science	Women's & Gender Studies
International Studies	Theatre Arts	History	Philosophy
Applied Gerontology	Art History	Music History	World Languages
Latino & Latin American Studies			
Helping Professions/ Human Relations			
Criminal Justice	Behavior Analysis	Rehabilitation Studies	Counseling
Psychology	Applied Gerontology	Human Dev & Family Studies	Sociology
Addiction Studies	Communication Studies	Social Work	Public Administration
Legal Studies			
Public Administration	Political Science	Management	Business Law
Philosophy	English	Criminal Justice	International Studies
Communication Studies	Emer. Admin. & Planning	History	Economics
Medical Related Studies/Science			
Biology	Chemistry	Psychology	Kinesiology & Health Behavior
Biochemistry	Anthropology	Sociology	Mathematics
Rehabilitation Studies	Human Dev & Family Studies	Audiology & Speech-Language	Engineering
Geography/Geology	Physics	Public Health	Addiction Studies
Public & Private Administration			
Learning Technology	Marketing	Economics	Management
Business Law	Emer. Admin. & Planning	Merch, Hospitality & Tourism	Public Administration

Helpful Resources for Integrative Studies Majors

Advising.unt.edu – Find campus resources and learn how to calculate your GPA!

Canvas (unt.instructure.com) – You must complete the “Getting Started in Integrative Studies” informational course before you can officially declare your Integrative Studies major. Once you are declared, you will be added to the non-credit “Marketability, Internships and Careers” course.

CareerCenter.unt.edu – Work with a Career Coach to explore careers, write your resume, prepare for interviews, and more! Career and internship fairs are hosted each semester. Internship and job opportunities are posted on Handshake.

Catalog.unt.edu – Research Major, Minor, and Certificate requirements. Read course descriptions. Find community college equivalencies using the Texas Common Course Numbering System.

Facultyinfo.unt.edu – View course syllabi and SPOT faculty evaluations from previous semesters.

Foreign Language Placement – For opportunities to possibly place out of some or all of your foreign language, visit <https://worldlanguages.unt.edu/resources/testing/placement>.

IntegrativeStudies.unt.edu – Go to the “Resources” tab to view Helpful Handouts, Four Year Plans and Internship Information for Integrative Studies majors.

Studentaffairs.unt.edu/student-org – Find student organizations to network with students of similar interests/goals.

UCRS 2100 – One credit hour career development elective

UCRS 4800 – Internship course available to Integrative Studies. May count as OCR or elective.
