

Department of Spanish

Web: spanish.unt.edu Call: 940.565.2404 Visit: Language 101

Department Chair: Dr. Samuel Manickam

Department Highlights

- Our department offers a Major, a Minor, and a Professional Certificate in Spanish. At the basic and intermediate levels students master all Spanish language skills through oral and written practice as well as online activities. Advanced students take prerequisite classes before choosing from a variety of courses in literature, culture, professions, civilization and cinema to fulfill requirements and electives.
- UNT Spanish graduates have gone on to become secondary school teachers and work in various businesses, as well as continue on to graduate school, among other professions. Many UNT students also do a double major in Spanish and another field – such as business, music, biology and journalism.
