

# WHAT'S YOUR MAJOR?

**NAME:** Layla

**MAJOR:** Japanese with minor in History

**CLASSIFICATION:** Sophomore

**TELL THE STORY OF HOW YOU FOUND THIS MAJOR:**

I specifically became intrigued with the Japanese culture in high school, I had to do a project for my business class on how different countries handle their businesses (or something similar to that), and I just happened to choose Japan. From there I began to learn more about their language, culture, history, food, and knew immediately that I wanted to travel and live there.

**WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:**

Take notes and study.
