

WHAT'S YOUR MAJOR?

NAME: Logan

MAJOR: Theatre Education

CLASSIFICATION: Freshman

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I've always wanted to be a fun and life changing teacher who gives kids the education they deserve and have fun while doing so. And I didn't get into the college of music so it made my life goal even easier.

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

As soon as you have an assignment do it, get it out of the way so you can relax later on. Take walks around campus while making a playlist specifically for it, get involved with the different festivals.
