

WHAT'S YOUR MAJOR?

NAME: Mary Alice

MAJOR: Media Arts

CLASSIFICATION: Sophomore

TELL THE STORY OF HOW YOU FOUND THIS MAJOR:

I participated in a short film competition in my sophomore year of high school, in this competition I placed second and from that moment I was hooked. I continued to pursue film and it quickly became my passion. I decided that Media Arts was the right major for me!

WHAT TIPS DO YOU HAVE FOR FIRST-YEAR STUDENTS:

Make friends! Move in week is a great opportunity to get to know people, meet your suite mates (if you have them) and join clubs to make friends! My friends have been my rock through this semester, don't be afraid to approach others, as they are probably just trying to make friends too!
